St. Raphael's Old Catholic Church during the Christmas time:

Everything is festively decorated and the crib is displayed to remind everyone of the wondrous birth of our Lord in a stable. St. Francis of Assisi was the first to build a nativity scene to teach the people about the birth of Jesus.

The work never stops:

Below left: Member Mr. Peter Wolff came to install Plexiglas at the entrance door at the kitchen entrance. Below right: left to right: Fr. Jürgen, the former Austrian Consul Mrs. Anneliese Egger, Mr. Chris Long, Mrs. Dodi Durocher, Mrs. Magda Long, Mr. Michael Thorne on Sunday after Holy Mass.
