

## 23 August 2015

Bishop J. Gérard A. LaPlante was walking with Mr. Jimmy Gee on Iona Island on August 20, 2015, when he met Mr. Anthony Weir. They started to talk and the Bishop gave him his business card. He looked on the card he said: "I know this Church, I walked by there the other day and thought I want my baby to be baptized there and I took a photo of it." So he pulled out his cell phone and showed Jimmy and the Bishop a photo of our Church.

On Sunday, August 23, 2015, he came to Church with his wife and son. On the photo on the left you can see him, holding the picture Bishop took on Iona Beach.
